### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest transferring the master pattern onto the substrate while moving the controlled element in accordance with a target locus generated in correspondence with a shape characteristic of the mask pattern and a shape characteristic of a pattern already formed on the substrate in combination with all the other elements recited in independent claim 16.

The prior art of record does not disclose or suggest the correction step of correcting a target locus of a controlled element concerning exposure operation on the basis of correction information corresponding to a shape characteristic of the second master pattern and/or a shape characteristic of a pattern formed on the substrate after the first developing step, and the transfer step of transferring the second master pattern onto the substrate while moving the controlled element toward the corrected target locus in combination with all the other steps recited in independent claim 31.

The prior art of record does not disclose or suggest transferring a second pattern onto the substrate, onto which a first pattern has been transferred, while moving the element based on information prepared with respect to each position of the element for correcting an overlay error

between the first and second patterns in combination with all the other elements recited in independent claim 33.

The prior art of record does not disclose or suggest a control unit which controls said moving unit so as to move the element based on information prepared with respect to each position of the element for correcting an overlay error between first and second patterns during transferring the second pattern onto the substrate onto which the first pattern has been transferred in combination with all the other elements recited in independent claim 39.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
